Hair Test 11184

What are your current symptoms and health history? Some eye floaters, photofobia, after images, candidiasis

Dental history (Wisdom teeth removed and when? Any other extractions. First root canal placed? Braces? First amalgam etc...). I had braces for 4 years when I was 11, and have had 9 amalgam fillings for around 20 years (from 20 years old to 41 years old - I got them taken out in september 2015)

What dental work do you currently have in place? What part of the dental clean-up have you completed? I have completed the replacement of all amalgam fillings.

What dentistry did your mother have at any time before or during pregnancy? None

What vaccinations have you had and when (including flu and especially travel shots)?

Supplements and medications (including dosages) taken at time of hair test, or for the 3-6 months before the sample was taken? None

What is your age, height and weight? 42, 1.77, 70 Kg

Other information you feel may be relevant? I am going through an anti-candida treatment that I started in May 2015. It is a natural treatment with a very strict diet plus supplements

What is your location – city & country (so that we can learn where certain toxins are more prevalent). Madrid, Spain
